## Roundtable

*Our Roundtable pros see  
sunnier skies and bushels  
of bargains in 2003*

## Smiling Again

From Abby to Zulauf, the 11 members of the 35th annual Barron's Roundtable offer up their sometimes spicy views of the economy, financial markets and stocks.

Plus, the investment picks of John Neff, Barton Biggs and Scott Black.

The irresistible lure of emerging markets. The case for Citigroup.
